

CTI Wireless Internet Equipment Loan Agreement

I understand that CTI is loaning wireless equipment only to be used with CTI Wireless Internet. I also understand that this equipment will remain owned by CTI. If for any reason that I should disconnect my CTI Wireless Internet it is my responsibility to return the equipment to CTI or call and they will remove it for a labor fee of \$99.00. If I do not return that equipment within 10 business days of cancellation I do understand that I will be billed \$425.00 for the value of that equipment. If my account is disconnected for lack of payment and I fail to remit a payment in a timely manner I do understand that CTI will collect my equipment and I will be charged for any equipment that is unobtainable plus \$99.00 for the pickup. If my account remains unpaid I do understand that CTI will send my account to collections and I am responsible for any collection charges that may apply.
